Zippy Indigenous Facilities Services is the result of a shared vision by Zippy Cleaning & Maintenance Services and the David Liddiard Group. The company is majority Aboriginal owned and aims to provide genuine job opportunities to Indigenous Australians as well as support Indigenous business in South Australia and the Northern Territory.

Summary

Zippy Indigenous Facilities Services is the result of a shared vision by Zippy Cleaning & Maintenance Services and the David Liddiard Group.

Together, we aim to provide genuine job opportunities to Indigenous Australian people as well as support Indigenous business in South Australia and the Northern Territory.

Our strengths lie in the extensive experience gained by Zippy during our 30+ years of business in the facilities services industry, coupled with the determination and

commitment of the David Liddiard Group to provide greater opportunities to Indigenous Australians and linking the corporate sector to the development of Indigenous enterprise.

The services we provide include:

- Commercial Cleaning and Maintenance Services
- Specialised cleaning services (window cleaning, carpet cleaning, etc)
- Hygiene and Sanitation products and services
- Property Maintenance and Support

Description

They tailor their commercial cleaning services to a variety of industries across South Australia and the Northern Territory; including federal, state and local Government departments,

health centres and aged care facilities, education facilities and commercial properties, both big and small.
