To be the service provider of choice and be known and respected for our ability to always deliver exceptional value through service excellence. We shall become a partner to our customers by creating a unique offering and delivery of integrated solutions, supported by a culture of enthusiastically devoted personnel.

Summary

Transnational Services is a company founded on 30 years of management experience in the remote camp services industry, both Nationally and Internationally.

This experience has equipped us with a unique set of skills, problem-solving thinking, and the ability to offer our expertise and advice when it comes to the implementation of Total Facility Camp Services including planning and design to build, management, maintenance and beyond.

Our executive teams' wealth of experience, traverses many iconic Australian projects over these years including,

Olympic Dam construction, Century Mine, MacArthur River Mine, the Argyle Diamond Mine, Nyrstar, just to name a few.

our Alliance Group includes a close working relationship with Fresh Start Australia, a 100% owned Indigenous national Facilities company.

Founded in the mid-1990s and rebranded in 2016, Transnational carries forward our passion for culinary excellence to all facets of camp services and logistical operations.
