MULTICULTURAL CONSULTING SERVICES PTY LTD

We work in collaboration with different stakeholders to transform business and lives through our holistic recruitment service in order to make a real impact.

Summary

Multicultural Consulting Services (MCS) is a Social Enterprise certified by Social Traders established for the benefit of communities to provide tailored and culturally appropriate employment services to priority job seekers. We work with government, business, communities and job seekers from diverse backgrounds to respond to social issues in particular focus of employment service. We provide a job-ready

program, skills assessment, employment pathways and maintain an ongoing connection with employers to source, screen candidates and provide cultural awareness training to enable employers to better engage with their new employees and maximise retention.

Description

We work in collaboration with different stakeholders to transform business and lives through our holistic recruitment service in order to make a real impact. We understand the challenges and the social procurement requirement for business, and we support employers to fulfil these requirements. As we work with priority Jobseekers, we customised our services to meet business's specific needs and immerse ourselves in the community and

value being an industry leader in recruitment, human resources and business support.
