# UNITE RESOURCING PTY LTD

The Unite Resourcing team brings over 20 years of experience to deliver the right staff for your project. We know that you rely on skilled tradespeople, plant operators and support staff to keep your business running smoothly and to bring your projects in on time, and on budget.

We focus on you and your business. We take the time to understand your exact requirements. We deliver top quality, skilled staff to meet those requirements. We follow up with you regularly to make sure your expectations are being met - or exceeded. As our business relationship builds, we continually look at ways to add value to your business bottom line.

## Summary

Unite Resourcing Pty Ltd is a specialist Recruitment and Labour Hire company working across a range of various industries in the public and private sectors. We provide short-term, long-term, and permanent labour hire and hire individuals, teams, or an entire workforce.

Our company is Western Australian owned and operated and has dedicated HSE Professionals with experience in construction, mining, and oil & gas as part of a team, ensuring a culture of safety is at the

forefront of our business.

We focus on you and your business and take time to understand your exact requirements and deliver top quality, skilled staff to meet those requirements, following up with you regularly to make sure your expectations are being met - or exceeded. projects.

Ultimately what defines Unite Resourcing is our approach to people. Founded with a focus on the 'long game', relationship-based recruitment, we invest in our people-taking the time to assess their skills, provide ongoing development opportunities, and matching them to projects that offer a mutually beneficial experience for

both parties.

With offices on the East and West Coasts of Australia, we guarantee a local footprint, rapid placement capability and personalised support to put the right hands on deck where you need them most.
